SUBJECT: Request for Service/Agency NPIC Requirements

REFERENCE: Memorandum for the USIB, Subject: "NSCID No. 8, Photographic Intelligence", TS #172625, USIB-D-69.2/1 (Rev)

1. Pursuant to current deliberations of the Board concerning an appropriate statement of NPIC's mission and functions, it would appear timely and necessary that the military services and other departments and agencies state clearly to the NPIC their particular requirements. Correlation of such requirements with a final NPIC mission and functions statement will be necessary and any attendant problems will be submitted to the Planning Board for coordinated action.

2. Each of the addressees is requested to forward to the Chairman as soon as possible a comprehensive statement of requirements which his service or agency intends to levy upon the NPIC. Upon receipt of such statements, they will be correlated with the pending version of the NPIC mission and functions statement and, insofar as practicable, work load implications will be assessed. The results of these actions will then be reported to the Board.

3. Your prompt action and cooperation in this matter will be appreciated.
